Re: Midwest Values PAC, FEC Id. No.C00416131, August Monthly Report

Dear Mr. Buckley:

This letter is in response to your request for additional information concerning the Midwest Values PAC's (the "Committee's") August Monthly Report of receipts and disbursements, covering 7/1/06 - 7/31/06.

With respect to the expenditures noted by you for Consulting/Fundraising/Expenses and Travel/Fundraising, there were all for generic activities solely on behalf of the Committee. None of these expenditures, either in whole or part, were made on behalf of specific federal candidates. If the Committee were to make expenditures on behalf of specific federal candidates, it would duly report those on Schedules B or E, as appropriate.

Similarly, with respect to the expenditures noted by you for printing, advertising and postage, all of these, too, were for generic disbursements in support of the Committee's own activities. None of these items, either in whole or part, (1) contained express advocacy or (2) constituted public communications or voter drive activity, as defined by the Act or the Commission's regulations.

In addition, none of these activities resulted in in-kind contributions to any candidates. As this Committee has only recently been formed, its activities have centered on establishing the Committee's own structure and raising its own funds. In the future, when the Committee makes contributions to or expenditures on behalf of clearly identified federal candidates, it will duly report those as appropriate under the Commission's rules.

If you have any additional questions regarding this response, please contact us at your convenience.

Sincerely,

Thomas Borman  
Treasurer
